### Preaching Mission to Open at Methodist Church Here Sunday

A Preaching Mission, featuring three noted speakers, will open at the First Methodist Church, El Prado and Carson, Sunday evening, Oct. 11, and will continue through Oct. 15, it was announced yesterday by Rev. John Taylor, pastor of the church.

Opening the service at 7:30 p.m. Sunday will be Rev. Taylor, who has chosen as his topic "That the World May Know." A film, "A People Without Fear," will also be shown.

The Sunday evening film is a story of the work of the church missions throughout the world with information on the work against famine, leprosy, and illiteracy. The scenes of the film were shot in Liberia, India, among the American Indians, and among prisoners of war in Korea.

Monday night Dr. Harvey J. D. Seifert, associate professor of religion at the University of Southern California, will speak on "Eggs in Your Shoes." The night will be known as Youth Night, and a special invitation for youth to attend is being issued.

Dr. Seifert will speak again on Wednesday night, Oct. 14, on the topic "The Church and Industrial Relations."

On Tuesday night Rev. Harold Essert, of the First Methodist Church of San Pedro, will speak on "Something to Shout About." Thursday evening he will speak on "Marching Orders."

The following Sunday evening John Aroktrasony, a citizen of India now enrolled in the SC graduate school, will speak and show a film.

### Royal V8 Tops Lineup of '54 Dodge Models

A new super deluxe series known as the Royal V8 highlights the line of 1954 Dodge passenger cars now being displayed in the showroom of Walter G. Linch, Dodge-Plymouth dealer, who has two sales locations in Redondo Beach.

The 1954 Dodge also introduces completely new interior styling, more than a dozen body beautifications and several major engineering advancements in its entire line consisting of 20 different models, Linch reported.

The 20 different models are in three series—the new Royal V-8, the Coronet V-8 and Six and the Meadowbrook V-8 and Six. They are being offered in 11 new body colors and 14 two-tone combinations that are keyed to harmonize with the completely new interior styling, Linch said.

Linch announced that the 1954 Dodge line also offers such mechanical advancements as the economy- and endurance-tested Red Ram V-8 engine stepped up to 150 h.p. and a 7.5 to 1 compression ratio; Power Flite, a new fully-automatic transmission; and a new full-time power steering unit. Meadowbrook V-8 models will continue at 140 h.p. The horsepower of the six-cylinder engines has been raised to 110 and the compression ratio to 7.25 to 1.
